AGENDA

1. Welcome and Call to Order Denise
2. Approval of Agenda All
 - all in favour
3. Approval of Minutes from Meeting of Jan 12 All
 - all in favour
4. Principal's Report John for Angela
 - Principal Notes
 1. Happy to be back in the building with Staff and Students. The transition seems to have happened smoothly. The only real change for our site is PPE (masks) for students while outside as well. Students have a very difficult time with distancing themselves so the mask are providing an additional level of protection.
 2. Hazar has the book fair up and going starting on the 11th. Please post to your social media as all orders count!!
 3. High school AY sessions next week in class with students via Google meets.

4. We are good financially and will look at purchasing additional chromebooks with any balance that we have at the end of the year as we anticipate our enrollment numbers to go up for the 2021-2022.

5. Looking to get a confirmed date from school council pizza night (school council was planning something I'm not sure if a new date has been decided). Once we have the date and details we will promote it.

6. PD day is Friday and the agenda will be a half day of Health & Safety and the other part of the day will be on Equity & Human Rights and Indigenous Education - the agenda is on the board website.

7. Reminder that Monday is Family Day so no school.

8. IEPs should be going home in a week or two with goals for term 2. It's a little late this term with teachers not being on-site to review OSRs and documentation during January.

5. Staff Report

John

- Tech break: more real, hands on and face-to-face activities and assignments for students
- Building Thinking Classrooms, a different way of problem solving and group work; school bought a couple of the books and teachers will be learning about it [Link](#)
- Students asking to run more in PE classes & some classes went snowshoeing around the grounds

6. Chairperson's Report

Denise

- PRO Grant Speakers
 - we will be provided with a list of speakers & dates we can choose from
 - no cost to us, however we are responsible for promotion
- OCDSB Committee of the Whole (COW)
 - next meeting is tonight – they are held once a month
 - they are streamed live on Youtube if you want to watch and past meetings are on there to watch as well. Most committee meetings are also there. OCDSB has its own Youtube channel!
