Due to the proximity of the Ottawa Public Library (OPL) Hazeldean Branch to Glen Cairn PS, we would like to utilize the vast resources available to us at the branch for the duration of the school year. As such, attached is a permission form that will last from now until the end of the school year to enable teachers to bring students to the branch to complete research and use the resources available. On the first visit, forms for any students needing to renew or acquire an OPL library card will be distributed. All children under the age of 16 must have a parent sign for them, even for renewal.

Glen Cairn PS has developed a strong Outdoor Education program. Each class has scheduled outdoor physical education periods in their timetable. STEM (Science, Technology, English and Math) continues to be an area that GC staff work to develop interesting and engaging opportunities for students. For these reasons, we would like to utilize the Old Quarry Trail throughout the school year, enabling teachers to take their class to enhance their curricular programming.

Teachers will provide advanced notice to families before each outing.

Please return the attached form, signed, as soon as possible to your child's homeroom teacher.

Thank you for your support.
